Re: Third Review of Draft Recall Petition Forms

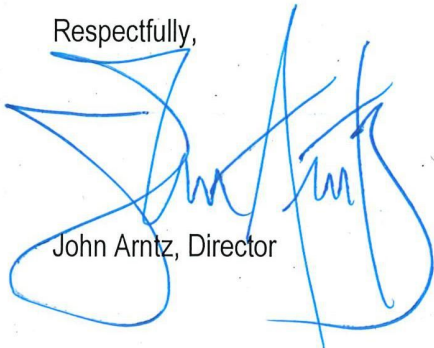

Dear Mr. Greenberg:

After reviewing the draft recall petition forms seeking to recall the District Attorney that you submitted to this office on March 3, 2021, I approve this petition format for circulation.

Under California Elections Code (CAEC) section 11220(a)(5), you have 160 days to circulate and submit this petition to the Department, or until August 11, 2021. Under CAEC 11221, the petition must contain the names, residential addresses, and signatures of 51,325 people, and this information must match the signers' voter registration records.

This number of valid signers required for this petition is based on the Department's most recent report of registration to the Secretary of State, which occurred February 10, 2021. This report stated 513,247 as the registration total in San Francisco.

Respectfully,

John Arntz, Director
