OUR GRASS-ROOTS EFFORT

We are driven by highly engaged local San Francisco voters. No political agendas, no personal motives. We are a truly non-partisan, people-powered movement.

The vast majority of our committee funding is from local San Francisco donors.

Our Written Pledge – No Political Connections Allowed:

- 1) The recall committee has not and will not accept donations from, or coordinate with, any political party. We have not and will not accept financial contributions from federal, state or local (San Francisco) political parties;
- 2) We will not accept donations from, or coordinate with, any candidate for political office, federal, state or local (San Francisco);
- 3) We will not permit immediately previous candidates for office to join our committee management;

This pledge enforces our commitment to the cause, namely, the recall the San Francisco district attorney, Chesa Boudin.
